## **Job Description – Production Operative**

**Location: Bordon, Hampshire**

**(we are based on an Industrial estate so you will need to ensure you are able to commute)**

### **About Us**

We are one of the UK's most well established and leading specialists in permanent wall surface and door set protection, we predominately work within the Healthcare, Education, Retail and Pharmaceutical industries. Our business is growing, and our vision is to increase turnover and profit by consistently delivering at a high level, providing the best service and value for our clients.

We are looking for Workshop Operatives to join our team working in our clean, modern workshop with state-of-the-art machinery. This is an excellent opening for the right candidate to join our company with the opportunity for further training and career development.

### **Job brief and skills**

You will work as part of a successful team and will be working with various hand tools, gluing, forming, glazing, framing, and wrapping. Experience in a similar role/environment is desirable. We are committed to providing ongoing training and support.

You should have good numeracy skills and the ability to work with production schedules.

We offer 31 days holiday including bank holidays plus a generous bonus scheme (if payable) after successful completion of your probationary period.

If you are a team player, have a positive 'get it right first-time approach and the necessary skills and determination for the above role, please forward your CV.

Candidates must be able to prove their eligibility to work in the UK

Job Types: Full-time

*"We are committed to equality of opportunity for all staff and applications from individuals are encouraged regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships."*

**No agencies at this stage please.**
